CONDITIONS OF BUSINESS

Starting prices have been given for all lots in this auction. They are meant to reflect our idea of the lowest market value of the item given its scarcity and condition. Lots normally open at or above and may sell for more as biddings dictate.

Postal Bid Forms should be sent or faxed to be received by our office before 12 midnight prior to the day of the auction. For afternoon auctions no later than 12 noon on auction day. Extension on lots should be noted on bid forms. For lots that requested extension, Phila China will submit the item to Mr POON Kam Leung, AIEP, (Association Internationale des Experts en Philatélie), of Experts and Consultants Limited (Hong Kong) for certificates, providing that the lot will be paid for in full plus all charges for expertizing, including courier charges, insurance and handling at the time of purchase. All costs and charges for expertization are the sole responsibility and liability of the buyers.

All lots will be sold to the highest bidder. A 25% Buyer's Premium will be added to the hammer price, on all lots. The buyer agrees to pay all shipping and handling costs. It is solely the buyer's responsibility to notify Phila China Limited of any special shipping instructions.

In the case of tie bids or any other disputes arising, the auctioneer's decision will be final. The auctioneer retains the right to act as seller's agent in placing a protective reserve on any lot.

All invoices are payable in Hong Kong dollars. Payment in any other currencies will not be accepted unless prior arrangements have been made, with such payment to include all additional bank charges. All foreign currency personal checks and Eurocheques will not be accepted. For overseas remittances please add HK\$400 to cover bank charges. A standard HK\$500 shipping/handling fee (under 500g) per shipment of purchase will be charged, there will be additional charges for carton lot shipments. Overseas buyers must furnish their own insurance during shipment.

All invoices are due and payable upon presentation. All invoices paid after 14 days of auction date will be charged 30% buyer's premium. Full payment for all purchases should be made at the time of collection of lots. Title shall not pass to the buyer until full payment of the invoice total has been received. For invoices that are more than 30 days overdue, a late fee of 5% and interest at the rate of 2% per month from the day of the auction will be added.

Floor bidders requesting extensions should do so at the time of bidding. All floor bidders will not be granted any return privileges. It is presumed that all floor bidders have inspected the lots prior to bidding. Therefore, lots purchased by floor bidders are sold "AS IS" and may not be returned. Floor bidders include those bidders acting as agents for others. Due to possible mishandling of items by subsequent owners, the Auctioneer reserves the right to describe items differently than shown on certificates from any certification service that accompany the items. Describing and grading are an art, not a science, and therefore the descriptions provided in this catalog may not agree with the opinion of others (including experts), and the same expert may not describe and grade the same stamp with the same description and grade at two different times. Description and grading standards have changed in the past, and as time passes and market conditions changed over the years, they may do so again in the future. If any dispute arises in this context, the Auctioneer retains the right to the final resolution of the matter. For lots that requested extension, Phila China will submit the item to a mutually-acceptable expertizer, providing that: 1) The lot will be paid for in full plus all charges for expertizing, including postage, mail registration, insurance and handling at the time of purchase, and 2) The expertizer can provide a written opinion within 30 days of the auction date. All costs and charges for expertization are the sole responsibility and liability of the buyers.

All group and collection lots may not be returned under any circumstances. Mail and telephone bidders are encouraged to have a local agent view these on their behalf.

Phila China Limited reserves the right to refuse admission to the viewing and auction venue to any person, at its discretion.

Placing of a bid constitutes acceptance of the above Conditions of Business.

A 25% BUYER'S PREMIUM WILL BE ADDED TO THE HAMMER PRICE ON ALL LOTS
所有拍品落槌價均需加25%的買家佣金

GUIDE FOR ABSENTEE BIDDERS

ABSENTEE BIDS

If you are unable to attend an auction in person, and wish to place bids, you may consider instructing Phila China Limited's Bid Department to bid on your behalf. Upon receiving your written instructions, our representative will make every effort possible to try to acquire the lot(s) of your choice at the lowest price possible, and never to exceed the top limit you indicate. This service is complimentary and with strict confidence. Phila China Limited offers this value-added service as a convenience to our clients who are unable to attend the auction, however, Phila China Limited will not be held responsible for error, omission or failure to execute bids.

PLACING ABSENTEE BIDS

To place bids, please use the absentee bid form provided in the catalog. Be sure to accurately record the lot number(s) and the top price you are willing to pay for each lot. "Buy" bids will not be accepted. Always indicate a "top limit" - the amount to which you would bid if you were attending the auction yourself.

Alternative bids should be indicated by using the word "OR" between lot numbers. If your bid on an early lot is successful, we will not continue to bid on other lots for you. Or, if your early bids are unsuccessful, we will continue to execute bids for alternative lots until a bid is successful. Bids must always be placed in the same order as the lot numbers appear in the catalog.

Each absentee bid form should contain bids for one auction only; the auction code number should appear in the top left-hand corner of the form. Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence.

TELEPHONE BIDS

Bids may be placed by telephone, but are accepted subject to Phila China Limited's discretion and are at caller's risk. At the sole discretion of Phila China Limited, telephone bids may be recorded. By bidding on the telephone, prospective purchasers consent thereto.

BUYER'S PREMIUM

The "top limit" you indicate on your bid form is for the hammer price only. A 25% buyer's premium will be added to the successful bid price for each lot you buy and is payable by you. All invoices paid after 14 days of auction date will be charged a 30% buyer's premium.

SUCCESSFUL BIDS

Successful bidders will be notified and invoiced within a few days of the auction. All paid-subscribing bidders will receive a list of auction results.

FOR MORE INFORMATION

To place telephone bids, or for further information, please call our offices at +852 25 300 100.

The Shanghai Local Postal System 上海工部書信館 – 商埠郵政史

The Shanghai Municipal Council opened Shanghai Local Post in 1863 and the service was being extended to other ports along the coast and up the Yangtze River; the service was for the handling of mail within and between these ports, and to be forwarded overseas via Shanghai.

The Shanghai Local Postal System operated one of the most efficient and safe postal services in the world in that era. The quantity of mail passing through was more than the combined totals of the Imperial Customs Post (including Hong Kong and the foreign post office), an amazing and intriguing start for the development of the postal services in China.

We are proud to offer a selection of fifty important envelopes from various ports, a rare and excellent opportunity for the serious enthusiasts of the earliest stamp issues and its postal history of China to enhance their collections.

於1863年上海工部創辦上海工部書信館及延伸了上海工部郵政系統，主要為處理上海和沿岸港口及長江上游城市的郵政業務，延續譯站後，這個中國清代最早發行的郵票與上海郵政系統之處理量甚高，相較於當時清代海關（連同香港及所有客郵局）的處理量還要多，為全世界最允妥及安全的郵政系統；以下提供的五十項封片，代表了八個港口的進出口例，都是上海工部郵政史藏家渴求及不可多得的精彩郵品。

1932 Shanghai Emergency Postal Service Booklet, complete with five 20c coupons, each coupon bearing “EPS” handstamp, issued during the postal strike when normal postal services were suspended, pristine example, scarce.

On 22 May 1932, 3500 postal workers in Shanghai went on strike. The strike had been anticipated, and the Shanghai Municipal council established the Emergency Postal Service to handle outward mail during the disruption. Booklets containing five coupons were sold for one Mexican dollar, each coupon being valid for one letter not exceeding one ounce. The EPS operated only for six days, during which just 16,210 coupons were sold, equivalent to only 3,242 complete booklets.

1954.01.07 (January 7) Shanghai to West Germany Airmail Cover - Salvaged Mail from the Philippine Air Lines Rome Crash, posted in Shanghai on 7 January 1954 and routed via Canton (11 Jan) and Hong Kong, the cover was intended for Hamburg via Rome and Frankfurt, it was carried aboard Philippine Air Lines Flight PR501, which crashed on 14 January 1954, and was subsequently recovered from the wreck.

Franked with three stamps totally 11,200 yuan, including the 10,000 yuan value of the 5th Tian An Men issue, correctly paying the 10g airmail rate to Western Europe via Hong Kong during the 7th postal tariff period (1 May 1953 - 31 December 1954).

Following the recovery, the Rome Post Office applied a two-line cachet recording the salvage of the mail, at Frankfurt (Main) Luftpostamt, a five-line typewritten explanatory label was affixed: English translation "This mail was recovered in Rome from the Philippine Air Lines Flight PR501 Manila-Rome-London air crash of 14 January 1954". the individually typewritten label contains a contemporary manuscript correction of a typographical error in "Philippine". Below is the three-line violet handstamp, accompanied by two manuscript signatures confirming official verification.

An important crash-salvaged cover from the early period of PRC international airmail and the only recorded air crash involving Chinese mail during the 7th postal tariff period. Only seven mail items originating from China are recorded as salvaged from this crash, one identifiable as Chinese-origin only from its surviving contents. A rare and significant item for PRC postal-history study and exhibition.

Note: Philippine Air Lines Flight PR294 (aircraft registration PI-C-294) is also recorded as PR501 in European postal documents; both destinations refer to the same DC-6 involved in the Rome crash of 14 January 1954.

The G. M. Collection of Kiautschou Picture Postcards

Over two decades ago, the Gottschlings started to build up the collection, an impressive over 2000-card strong holding of all different Kiautschou picture postcards. It comprises architecture, streets, military scenes, daily life, harbors, beaches, and surrounding areas of the time, including lithographed postcards, dragon-patterned postcards, and cartoon postcards. Further expanding to stamps and postmarks, such as those from Tsintanfort, Mecklenburghaus, Litsun and Syfang post offices. A true picture story telling of the city's rich history, as the volume is tremendous, it shall take a number of auctions to present its entirety. This small section of fifty cards exemplifies the beautiful street scenes of Kiautschou, a start of a wonderful entrance to a long journey of the city's exploration.

高士凌伉儷珍藏 - 膠州明信片（德屬青島明信片）

一部超過二千枚的珍貴明信片藏集，二十多年的持續，建立了一套不同明信片組成的收藏，幾乎全部都是經過郵政實際寄遞，具有真實郵政使用歷史的實寄明信片。

高先生鍾情於1898年至1900年間發行的早期手繪郵資明信片，各類系列明信片及多聯全景明信片；除此之外，當時建築，街道，軍事，人物生活，港口沙灘，周邊地區，石印明信片，龍圖案明信片和漫畫明信片也在收藏範圍；其後陸續擴展到郵票和郵政日戳，例如青島砲台，梅克倫堡樓，李村和四方等郵局的郵戳。

1914年底以後，許多德國人在青島陷落後被關押到日本戰俘營，他們根據手繪原稿印刷了許多明信片，這些極為珍貴且富有歷史意義的作品深深吸引了高先生，他也建立了一套內容豐富的專題收藏。

是次出品的五十件膠州街道明信片，一個意味深長及美好的開始帶讓我們進入高士凌的收藏世界。
